

## HYPER MATERIALS

### PIOMBO HM04

Piombo is a matt surface for furniture and interior design. Innovative acrylic resins, applied using Electron Beam Curing, mean that Piombo reflects very little light - hence the opacity - while at the same making it anti-fingerprint, soft to the touch and highly resistant to scratches. Available as faced panel, laminate and edge it is a sophisticated and coordinated surface for furnishings and interiors, either vertical or horizontal.

#### **FACED PANEL**

Core: MDF  
Thickness: 19 mm (12 mm and 22 mm on request)  
Format: 3050 x 1300 mm  
Back: melamine Seta texture

#### **LAMINATE**

Typology: CHPL  
Thickness: 0,8 mm  
Format: 3050 x 1300 mm

#### **EDGE**

Typology: ABS  
Thickness: 1 mm  
Format: blister h 23 mm (h 16 mm and h 26 mm on request)
